

OUR PURPOSE

CRICKET FOREVER

LEADING AND BUILDING CLIMATE
RESILIENCE FOR COMMUNITIES
AND THE GAME

3

WHAT WE DO

Resilient clubs and communities

Transition community cricket clubs and venues to be climate, energy and financially resilient.

Climate leadership

Develop cricket messengers – players, community club presidents, cricket leaders – to normalise climate action.

Global action

Influence the cricket ecosystem – government, business, fans, players, other sport and sporting bodies – towards climate action.
