Spend a relaxing afternoon viewing Group 1 winning stallions in their pastures, catch a glimpse of daily operations and see why Scone is Australia's home of the thoroughbred industry.  <b>Tour 2: Scone Heritage Walk</b> Scone township was originally two separate towns, the private town known as St Aubin's, of which Main Street was the western boundary and the Government Gazetted township west of Main Street, located in that area as it was close to a water source known for many years as the Scone Lagoon (near Scone Sporties Club). Initially the main business area of Scone was mostly west of the railway line. Kelly Street only became the main business area after the railway came to Scone in 1871. The Guided Heritage Walk will take a loop around the central part of Scone starting at the Old Scone Lock Up, now the Scone History Museum in Kingdon Street.	Departs from the Scone Bowling Club at 1:00pm and return at approx 2:30pm. <i>Maximum 21 passengers. Seats will be allocated on a first-come-first-served basis.</i>  Departs @ 2:30pm from Scone Historical Museum 43-47 Kingdon Street. 	<b>Self-Guided Activity A - Scone Historical Museum</b> The Scone & Upper Hunter Historical Society History Museum was established by the Society in 1966 in the Old Scone Lock Up. The focus of the Museum is on the history of British settlement which began in the Scone area in 1825. The collection and exhibits take you back to yesteryear, with many household artifacts and agricultural tools and machinery on display. The cells and exercise yard are a daunting reminder of how law enforcement was metered out well into the twentieth century. <a href="https://sconehistorical.org.au/">https://sconehistorical.org.au/</a>	Opening Time: 2pm to 4pm 43-47 Kingdon Street Cost of entry \$5
