# ABOUT

Keep Australia Beautiful NSW (KAB NSW) is the state's premier organisation for litter reduction, waste minimisation and environmental sustainability. Linking community groups, government and industry for a cleaner, more beautiful New South Wales.

# WHY JOIN?

Join over a third of NSW local governments in working with and supporting the work of KAB NSW in creating a state-wide community of sustainability professionals and citizens striving to conserve our natural environment and resources.

In the spirit of reconciliation, Keep Australia Beautiful NSW acknowledges the Traditional Custodians of country throughout Australia and their connections to land, sea and community. We pay our respect to their elders past and present and extend that respect to all Aboriginal and Torres Strait Islander peoples today.

## MESSAGE FROM THE CEO

I would like to thank and recognise our current members for their continued support and commitment to Keep Australia Beautiful NSW.

We partner with councils that share and help us work towards our goal – a more sustainable, less littered NSW. The support from our members is essential in continuing our work in education, collaboration and celebration of successful behaviour change and environmental programs.

With a record of successful community engagement since 1975, our programs

and education have been committed to inspire individuals, students, businesses and community groups to actively care for their local environment.

It gives me great pleasure to invite you to join our membership base in leading behaviour change through education and community engagement into the future.

**Val Southam**

CEO

Keep Australia Beautiful NSW

## MESSAGE FROM OUR JOINT PATRONS

For 46 years, Keep Australia Beautiful NSW has been encouraging communities and organisations across the State to create a more environmentally sustainable environment through education, empowerment and celebration.

As Patrons, we strongly support their remarkable work and encourage others to join schools, councils, businesses and community organisations in contributing to KABNSW programs.

Thank you, Keep Australia Beautiful NSW for making our cities, towns and communities cleaner, greener and more beautiful places in which to live.

**Her Excellency the Honourable  
Margaret Beazley AC QC,  
Governor of New South Wales,  
and Mr Dennis Wilson**

# MEMBER BENEFITS

**In our mission to work collaboratively with councils and community groups across the state, KAB NSW Membership offers:**

## BRANDING BENEFITS

- Display your logo on our Membership page
- Use of KAB NSW member tile on your website, and email signature
- Use of Keep Australia Beautiful "Do The Right Thing" logo
- Supply of media tiles
- Opportunity to share your community's news in the KAB NSW's newsletter and social pages

## EDUCATION SERVICES

Team up with us to provide education services in your area.

- \$100 per day discount rate on our longstanding EnviroMentors program, approximately 10% discount of the whole booking
- 10% discount on all tailored education programs, including adult community workshops or webinars, preschool, out of school hours and holiday care programs

## EVENTS

Celebrate sustainable achievements, network and learn with us.

- 10% saving on an unlimited number of council attendees to our:
  - Sustainable Cities Awards event
  - Sustainable Communities Tidy Towns Awards weekend
- \$100 discount on tickets to Litter Congress for an unlimited number of council attendees, (approximately 12% off)
- A complimentary copy of the annual Litter Congress Green Paper
- The opportunity to purchase tickets for the Annual Premier’s Dinner fundraising event

## NEW MEMBERSHIP PERK

- Quarterly webinars for council professionals covering different environmental themes

Submit questions, your own experience or research in line with the theme, and our education team will design an interactive and productive webinar for all.

## MEMBERSHIP FEES

To become a member with Keep Australia Beautiful NSW, please refer to our membership fees outlined below:

COUNCILS	POPULATION	FEE
Small Councils	Less than 10,000	\$700 + GST
Medium Councils	10,000 – 100,000	\$950 + GST
Large Councils	Over 100,000	\$1100 + GST

## EDUCATION & PROGRAMS

### ENVIROMENTORS®

With eight modules and two audit modules to choose from, the program offers schools and community groups interactive workshops covering themes of sustainability, litter reduction, waste management and resource conservation.

Delivered by our team of expert educators, we work closely with local councils to prepare local examples of sustainability, catchment and waste services, building a greater awareness in students, schools and the wider community of the many ways they can utilise council services and protect their local and global environment.

Included in the daily fee:

- All administration including recruitment, communication and scheduling of schools
- Workshop delivery by our expert educators
- Education resources for teachers
- Inclusion of council specific information
- A detailed report at the conclusion of the booking

Our EnviroMentors® program reaches over 36,000 students from over 250 schools in 32 LGAs annually.

Since the program started in 1994, it has reached over 771,000 students!

## SUSTAINABLE COMMUNITIES – TIDY TOWNS

Drive through NSW and you will see many proud “Tidy Towns”.

Bringing local community groups, schools and councils together to showcase and celebrate grass roots sustainability projects, Sustainable Communities – Tidy Towns has been a feature of our countryside since 1981.

Towns large and small are recognised and rewarded for achievements in litter, waste management, community spirit and many other environmental themes with an awards weekend hosted by the previous year’s overall state winner.

[LEARN MORE](#)

## SUSTAINABLE CITIES

We know New South Wales metropolitan cities and regional towns face different environmental challenges, and our Sustainable Cities events have been recognising metropolitan achievements by individuals, schools, community groups and councils since 1994.

Just like our Sustainable Communities - Tidy Towns program, a variety of themes are covered, with the previous overall winner proudly hosting the awards event each year.

[LEARN MORE](#)

## LITTER CONGRESS

With an emphasis on research-based methods of enquiry and input from a range of sectors, the Litter Congress is an opportunity for individuals and groups involved in litter management, prevention and reduction to learn, share projects and tackle littering and behaviour change together. There is also opportunity for participants to network with their counterparts from across the state, industry representatives and the EPA NSW litter team.

[LEARN MORE](#)

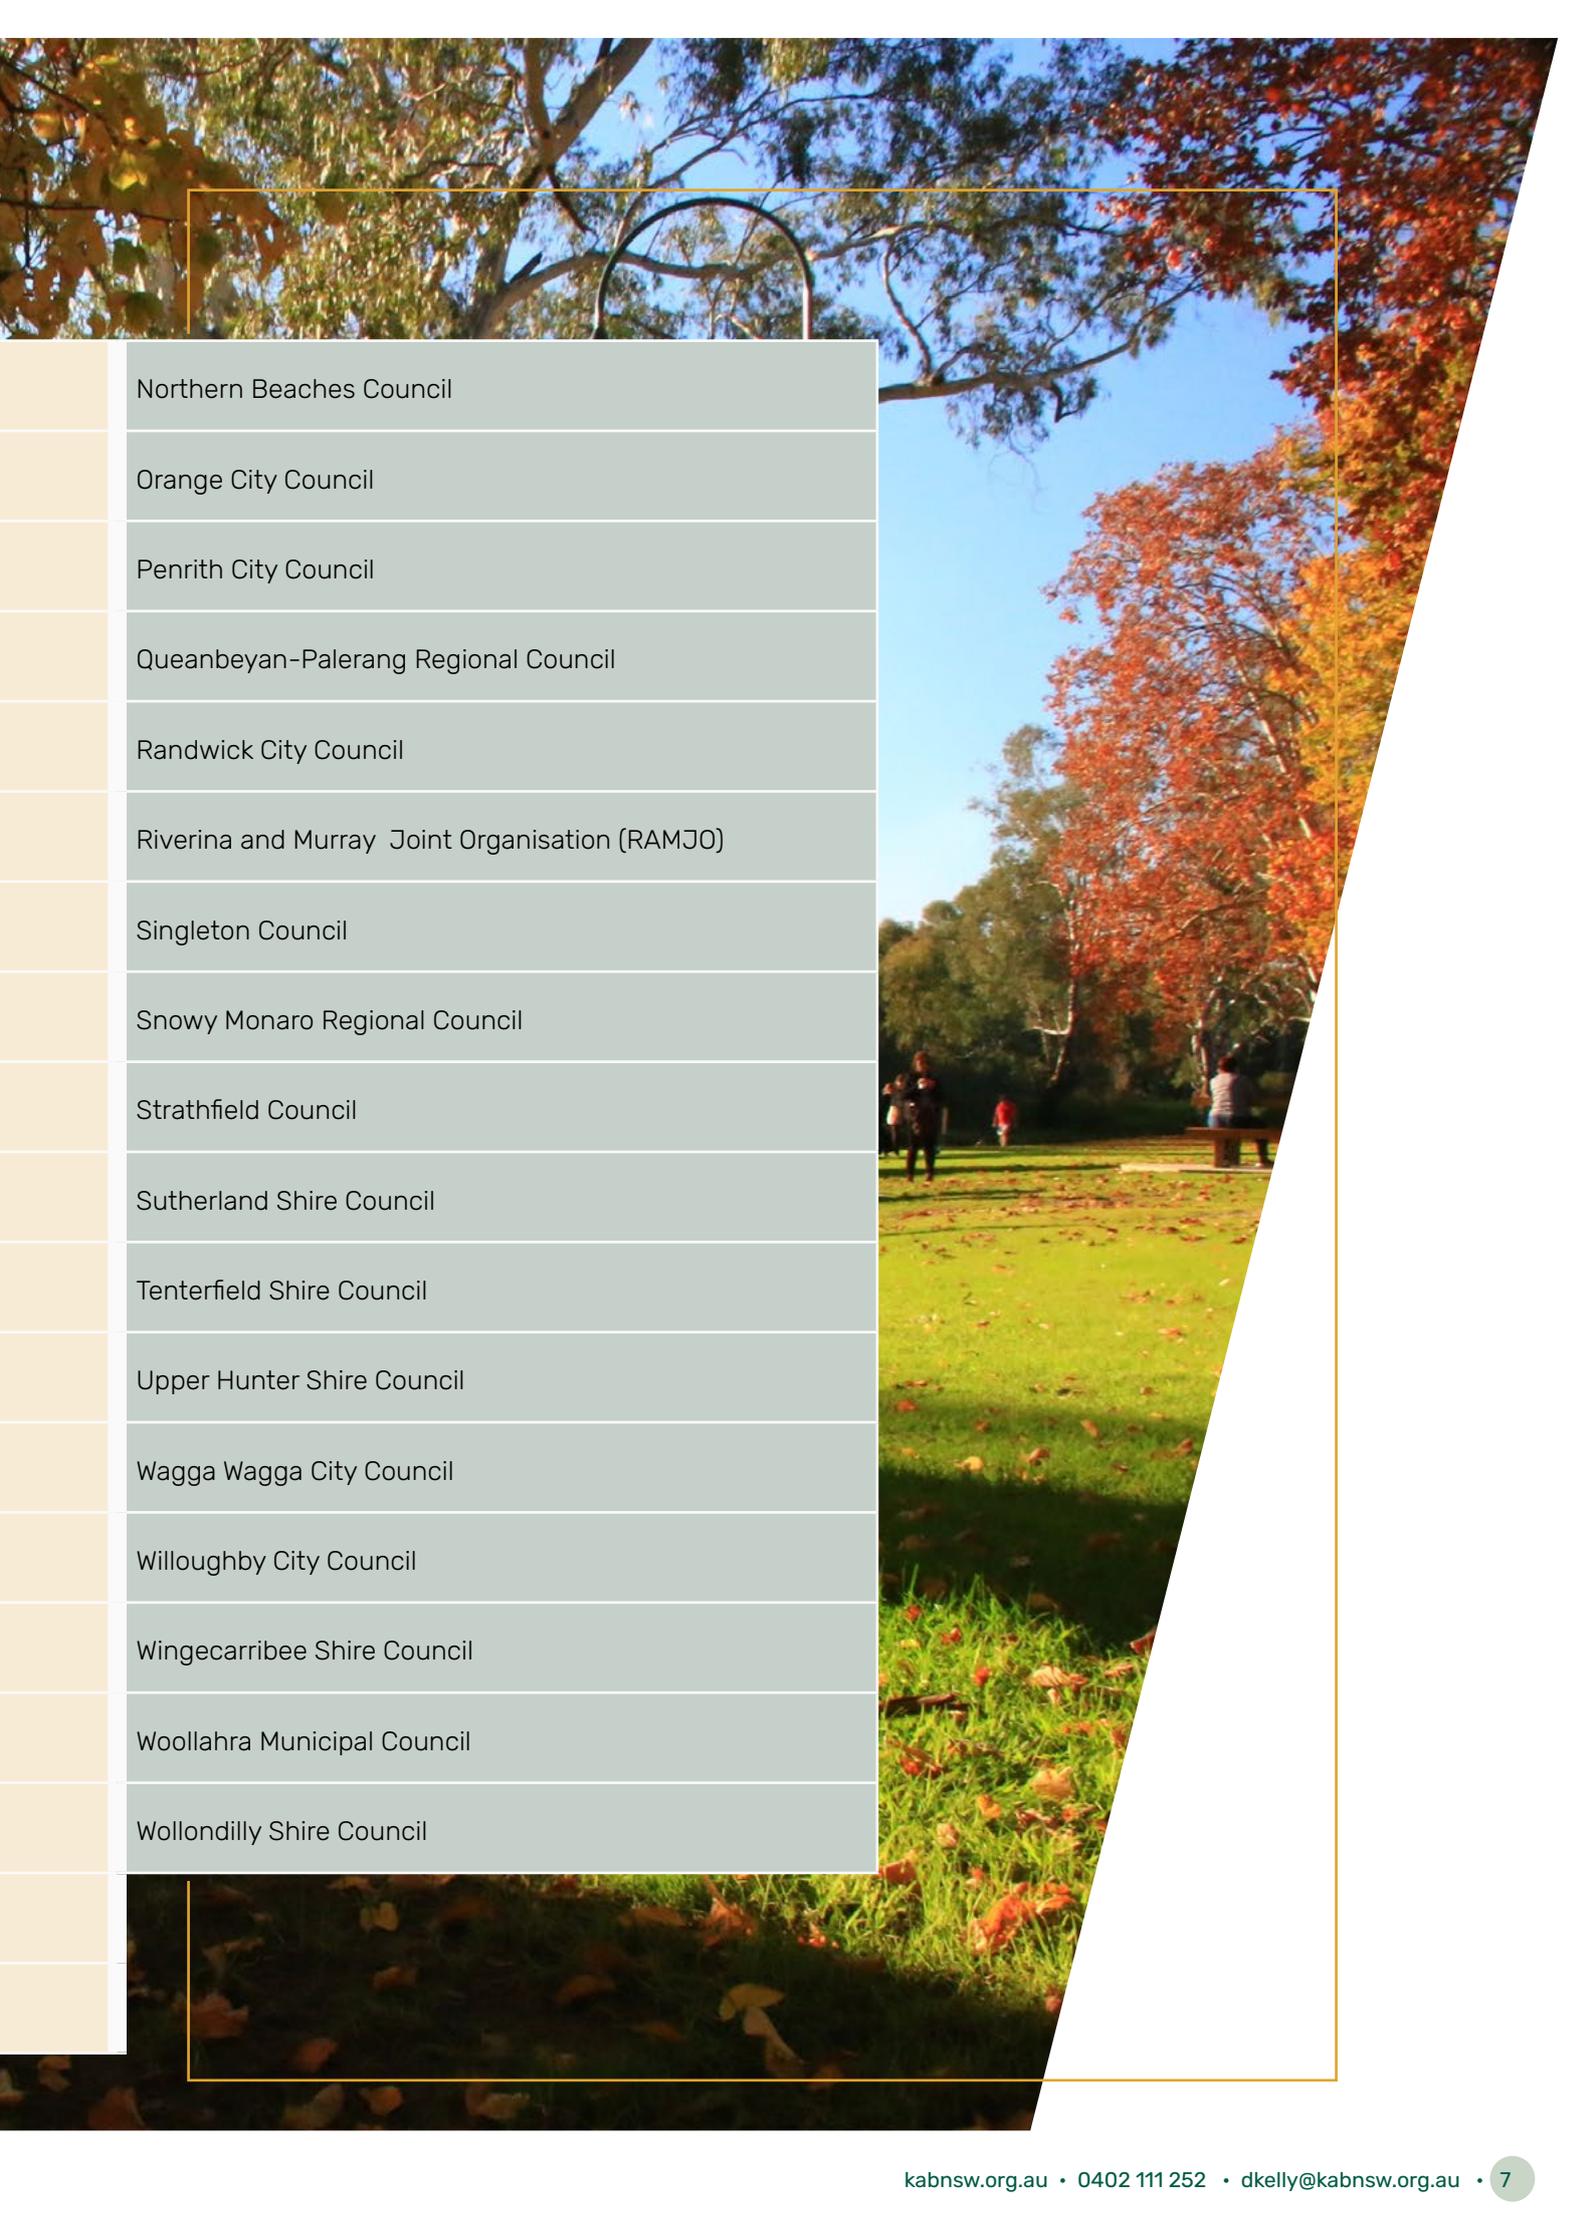

## LOCAL GOVERNMENT LITTER INDEX (LGLI)

Designed specifically for LGAs, the LGLI provides detailed litter data, littered brand data, audit and site clean-ups to enable individual LGAs to make more informed decisions about litter management in their communities.
